Furniture and Manufacturing Materials and Technologies

MEDIA DATA

2026

India's Premier Woodworking Magazine

**NÜRNBERG
MESSE**

A media with the widest reach, highest credibility and biggest impact in the Indian woodworking industry.

The Go-To Magazine for India's Furniture & Kitchen Manufacturers

WoodNews is the oldest wood industry magazine in India with the largest readership. It is a medium that publishes high quality editorial content for its readers. Guided by an Advisory Panel of experts, WoodNews is a medium for sharing industry knowledge. It brings the best of informative and analytical content from India and across the globe, engaging the entire woodworking ecosystem. With its insightful, in-depth and trend-setting articles, the magazine has earned its readers' respect and maintains the credibility of the editorial content and advertisements inside.

Quality Database of Readers and Subscribers

Culled and fine-tuned over 35 years, WoodNews database comprises the cream of the industry across India. Typically our readers are Owners, Directors, Chief Executives, Managers and Buyers. WoodNews will deliver your communication to these decision makers across the industry. The WoodNews E-Flip magazine is sent out by email and WhatsApp to a qualified database of 1,50,000 readers across India.

Bonus Distribution at Industry Events

WoodNews regularly exhibits and is media partner at major industry events, allowing for extra distribution of the magazine in an industry-specific setting. This further increases the visibility of your advertisements.

Technology Category

WoodNews is also available in E-Flip magazine format.

Back issue cover pages

Member Publication for India of the International Woodworking and Furniture Supplier Magazines' Association. The member magazines of FSM are supposed to be the best ones in each country following the criteria of content quality, circulation and representational ability of the market. Only one magazine from one country can be a member of FSM.

Official Publication

The Association of Furniture Manufacturers and Traders has selected WoodNews as its only Official Publication. Representing all of India's leading furniture manufacturers and traders, AFMT plays a key role in forwarding the interests of the industry, and WoodNews is an important part of that effort.

Official Media Partner

INDIAWOOD is one of the world's leading trade fairs for the furniture manufacturing and woodworking industry, with a legacy of over 25 years. The show brings together national and international decision-makers, technology providers, and material suppliers, serving as a key platform for business, knowledge exchange, and industry collaboration that continues to drive the evolution of India's wood-based manufacturing sector.
